SeAH Steel Corporation

SeAH Steel has been at the forefront of innovation for nearly 50 years, continually employing the latest technologies to create high-quality products. This focus on innovation has allowed the company to become a leader in the Korean steel industry. SeAH Steel continues to practice the principles on which it was founded, remaining committed to reliability, honesty, integrity, customer satisfaction and innovation while establishing eco-friendly practices.
**Established**: In 1960  
**Location**: Seoul, Pohang, Changwon, Gunsan  
**Main Product**: Carbon Steel Pipe  
Stainless Steel Pipe/Ti Tube  
Galvanized Steel Sheet, Pre-coated Metal  
**Contact Point**: export@seahsteel.co.kr

Application (Usage)

**Petroleum Industry**
- Line Pipe
- Casing & Tubing
- Offshore Platform

**Heat Transfer**
- Boiler Tube, Heat Exchanger & Tube

**Ordinary Piping**
- Black & Galvanized Steel Pipes
- Corrosion Resistance Pipes
- Pressure Service Pipes

**Structural Pipes**
- General Structural Pipes
- Machine Structural Tubes
- Off-Shore Structural Pipes
- Square Pipes, Steel Pipe Piles

**Approved Certifications**

- **API**
  - 1979. 03. 21. API Line Pipe (API 5L)
  - Casing & Tubing (API SCT)

- **CSA**
  - 1986. 12. 10. Rigid Steel Conduit & Coupling

- **DNV**
  - 1996. 03. 11. Steel Tubes and Pipes for Ordinary Pressure Systems, etc.
  - 2002. 09. 03 & 09. 18. Steel Tubes and Pipes (ERW & SAW)

- **ARAMCO Vendor**
  - 1999. 10. 05. API 5L 8 5/8" ~24" O.D

- **ADC Vendor**
  - 2005. 04. 26. API 5L Line Pipe

- **PDO Vendor**
  - 2005. 12. 05. API 5L X65 (Sour Gas Proof) / X70 (Non Sour Gas Proof)

- **UL**
  - 1982. 09. 05. UL-6 Rigid Metal Conduit

- **ISO**
  - 1993. 02. 19. ISO 9001 (Carbon Steel Pipe)
  - 1997. 08. 21. ISO 14001 (Carbon Steel Pipe)

- **NSF(U.S.A)**

- **KOC**
  - 2000. 12. 03. API 5L Line Pipe (ERW & SAW)

- **SHELL Vendor**
  - 2005. 07. 05. API 5L X65 (Sour Gas Proof) / X70 (Non Sour Gas Proof)

- **SAIPEN**
  - 2008. 12. 03. API 5L Line Pipe (ERW & SAW)

Application (Usage)

General Piping
- Welded Stainless Steel Pipes
- Large Diameter Welded Stainless Steel Pipes
- Ordinary Stainless Steel Pipes

Boiler & Heat Exchanger
- Stainless Steel Boiler & Heat Exchanger Tubes
- Titanium Tubes for Heat Exchanger and Condensers
Galvanized Steel Sheet and Pre-Painted Steel Sheet

**Product Range and Capacity**
SeAH Steel Gunsan Plant produces 300,000 metric tons of Galvanized Steel Sheet (GI) and 150,000 metric tons of Pre-Painted Steel Sheet (PPGI) coils annually, allowing us to satisfy customer demands for quality and prompt delivery. GI and PPGI coils are available in the following sizes:
- Sheet thickness: 0.23 ~ 1.60mm
- Coil width: 600 ~ 1300mm

**Application (Usage)**
1) **Pre-Painted Steel Sheet**

**Roofing and siding for factories, warehouses, and prefabricated homes; interior partitions, doors, showcase covers, etc.**
- **R.M.P.**
  - Cutting-edge facility with the ability to produce unique, made to order products.

**Roofing, siding, partitions, doors, exterior covers, etc. for use where corrosion and weather resistance are required.**
- **H.D.P.**
  - Superior protection against severe corrosion, weather, and heat.

**Interior doors, refrigerators, microwave ovens, washers, audio cases, and other home electric appliances.**
- **H.P.P.**
  - Smooth finish surfaces for use in homes.
Why choose SeAH Steel?
What are the advantages of SeAH Steel Pipe?

SeAH Steel has:

- Nearly 50 years of accumulated knowledge and technical expertise.
- Experienced and qualified professionals able to understand and fulfill customer needs promptly.
- A research and development center that develops API material (with POSCO).
- Highest quality assurance ratings guaranteed by using systematic process controls.
- A commitment to customer satisfaction.
- A strategic alliance with POSCO since 2007.

2) Hot Dipped Galvanized Steel

Construction materials, office equipment, automobile inner panels.

- Minimized Spangle
  - Uniform surface, elegant appearance.

Construction materials, office equipment, home appliances, color base metal.

- Zero Spangle/Extra Smooth
  - High quality for color coating base metal.

Hotel, department store, government office, composition panel

- Pre-Painted Aluminum Coils
  - High quality products for luxury building and exterior uses.
  - Weather resistant with 25 year warranty.

Exterior and Interior material for industrial chemical complexes and high dust areas created by gas emissions.

- P.V.D.F.
  - Composition panels with excellent corrosion and chemical resistance for hotels, department stores, and offices.

Hotel, department store, government office, composition panel

- P.V.D.F.
  - Composition panels with excellent corrosion and chemical resistance for hotels, department stores, and offices.
